Courage

THE ROAD OF LIFE

Life is good
but sometimes

life becomes tough
and then you need
courage

A hand with a light skin tone, wearing a dark blue sleeve, is reaching down from the top right towards a red heart at the bottom left. The hand is open, with fingers slightly spread. The sleeve has a small white button visible. The background is a light blue wash at the top, with a horizontal line separating it from the white background below. The heart is a simple red shape with a black outline.

the word courage
comes from the

french word
for heart
(cœur)

COEUR

to have courage
you need to have a

big heart
like Richard
the Lion Hearted

King Richard
was so brave
in battle

the French called
him Coeur de lion
(lionhearted)

If you
believe in God
you can ask Him
for courage

Or people you love
can help you have
courage

If you ask a hero
how he got courage

he will tell you
he did what he
had to do

It helps if you
don't expect

life to be easy.

If you think of life
as a kind of school

then you see
that hard times
teach us

If you think of life
as a kind of school

then you see
that hard times
teach us

And people
with courage
have learned
a lot

their hearts have grown
to be very, very big
like a lion's

In France when
people say goodbye
to their friends

they say
"courage"

COEUR

And so
I say to you

"Courage!"
