

Hope
can be
a little bit
tricky

HOPE

It's best not
to hope for
something
specific

my wish

my wish

and
my wish

my wish

Better to
hope for tools
to deal with
whatever life
hands you

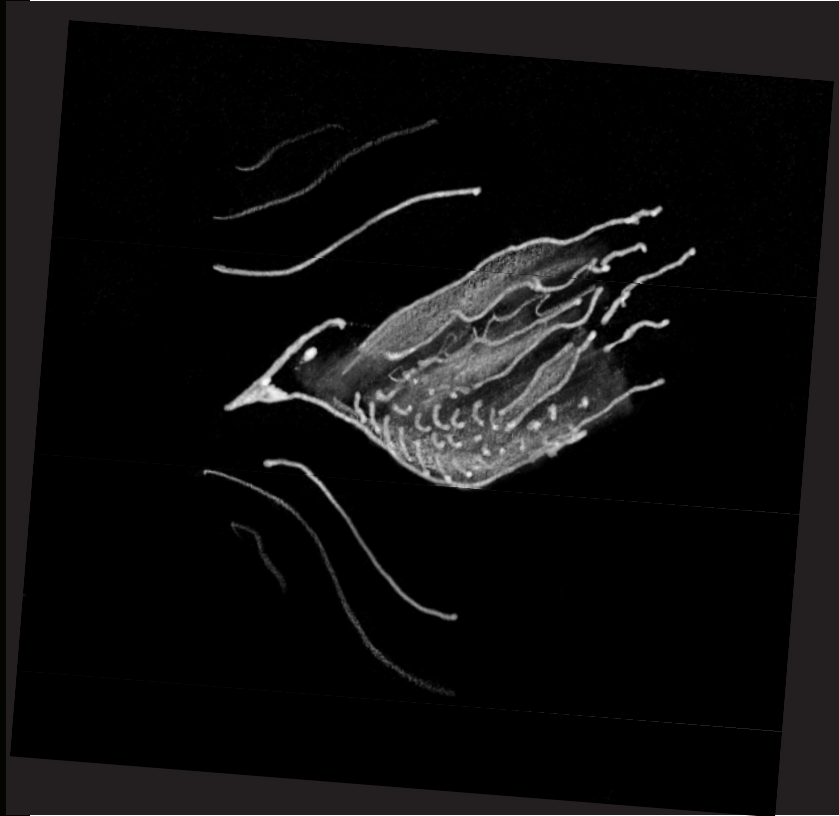

Hope for
courage

Hope for
Strength

Hope for
grace

Hope
to stay patient
and grateful
and optimistic

Hope to be like
an olympic skier
who can handle
any terrain

Do
thrive on
the
challenge
